Dark Bronze shown, see Gimp palette for other colors.

### Gimp

This decorative edge is frequently seen along the edge of furniture or sewn interior of pillows, for a decorative look. (approx. 1/2" wide)

### Decorative Cord

This decorative cord has a high sheen and is frequently seen along pillow edges. Has a fabric strip which is sewn into the seam to give you a straight cord finish. (Cord approx. 1/4" round)

### 3" Fringe-(Bullion)

This decorative fringe is frequently seen along pillow and furniture edges.
