## Jeans Thread

Depending on your monitor and printer, this chart should be considerably more accurate than the color chart on our website. However, Beacon Fabric & Notions does not guarantee the accuracy of this chart. If you have any questions about any of these colors, please contact Customer Service at 800-713-8157.

### Jeans Stitch Thread

This heavy polyester thread is great for topstitching on denim jeans to give them the professional look. Also used as a decorative thread in serging or couching. We recommend using #18 Jeans or Topstitch Needle (pg 16) for easiest sewing. (200 yards/cone).
